

2nd LISER-IAB Conference on Digital Transformation and the Future of Work

20-21 September 2021 · Online event

The Luxembourg Institute of Socio-Economic Research (LISER) and the Institute for Employment Research (IAB) are pleased to announce the 2nd LISER-IAB Conference on Digital Transformation and the Future of Work. The objective of the conference is to bring together researchers in social sciences to discuss their more recent research related to digital transformation and the future of work. Researchers interested in presenting at the LISER-IAB conference are invited to submit theoretical, empirical and experimental contributions.

Topics of interest

The conference focuses on the consequences of digitalization on:

Working tasks · Skills · Wages · Motivation · Performance · Health · Well-being · Work-life balance · Workplace organization · Job design · Workforce structures · Performance · Functional areas · Shifts in labor demand and supply · Gig economy · Crowd working · Online labor markets · Employee mobility · Work family decisions · Education and training systems

Submission

Please submit your paper or an extended abstract (2-4 pages) in PDF no later than **31 May 2021** to liser-iab-conference@liser.lu. Submissions by PhD students are particularly encouraged.

All submissions will be reviewed by members of the scientific committee. Authors will be informed upon acceptance by **22 June 2021**.

Further information will be available on <https://sites.google.com/view/2nd-liser-iab-conference>
