

**Workshop on  
Cross-border Labour Mobility & Data Linkage  
LISER, Esch-sur-Alzette, Luxembourg  
February 27 - 28, 2023**

*Keynote speaker*

**Prof. Andrea Weber, Central European University**

*Call for papers*

The ‘Workshop on Cross-Border Labour Mobility & Data Linkage’ is organised by the Luxembourg Institute of Socio-Economic Research (LISER) to discuss recent research in economics on international labour mobility and cross-border employment. A particular focus of the workshop will be on analyses using administrative data, record linkage or innovative surveys from different countries. The workshop also features a roundtable of researchers, policy-makers and data providers who will discuss research opportunities and challenges of record linkages across countries.

The workshop will last 1.5 days starting in the early afternoon of February 27 and ending in the evening of February 28. Participation in the workshop is free and meals will be provided. A conference diner will be organised on February 27. The organisers are unable to cover travel costs. However, they will cover up to two nights of accommodation in a hotel close to the conference venue.

**Submissions of full papers** are invited by **December 15, 2022**.

Submissions and inquiries should be addressed by email to: [crossborderdata@liser.lu](mailto:crossborderdata@liser.lu).

**Decisions** about acceptance for presentation in the workshop will be communicated by **January 6, 2023**. The full programme will be released by end of January.
